Re: Form 500 Application Number: 836496
Applicant's Form 500 Identifier: MP_HS CANC

We are issuing this Form 500 Notification Letter to notify you that the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has processed your FCC Form 500, Adjustment to Funding Commitment and Modification to Receipt of Service Confirmation Form.

Attached to this letter is a Report summarizing the modifications or changes you requested. An explanation of the data provided in our letter reports is in the "Letter Reports: Field Descriptions" posted in the Reference Area of our website.

Retain this letter for your records. A copy of this information has been provided to the service provider(s) whose Service Provider Identification Number(s) (SPIN) is featured on this Form 500.

DEADLINES:

Recurring services must be delivered during the funding year (between July 1 and June 30). In general, non-recurring services must be delivered between July 1 and September 30 following the close of that Funding Year. The deadline may be extended for delivery and installation of non-recurring services as described in Step 11: Service Delivery Deadlines and Extension Requests on our website.

Invoices must be postmarked no later than 120 days after the last date to receive service or 120 days after the date of the Form 486 Notification Letter, whichever is later. If an invoice is postmarked after the later of those two dates, payment will be denied.

You can request a Service Delivery Deadline Extension or Invoice Deadline Extension from USAC following the guidance posted on our website.

Discuss with your service provider(s) whether you prefer discounts on your bills or reimbursement after paying for services in full. USAC will process either reimbursements based on Form 472 (BEAR) or discounts based on Form 474 (SPI) for a given FRN. Once established, however, the selected process - SPIs or BEARs - must be used consistently for the entire Funding Year.

NOTE: USAC will base the billing mode (reimbursement or discounting) on the first invoice type that it processes for payment. It is therefore imperative for the service provider and the customer to establish together the preferred invoicing mode.

NOTICE ON SERVICE START DATE

The Service Start Date as reflected on this letter may have been changed from what you indicated on the Form 500. The Service Start Date may not be before the Allowable Vendor Selection/Contract Date (AVS/CD) from the Form 470 cited for this FRN on the Form 471. Additionally, applicants cannot use the Form 500 to change the Service Start Date from a Service Start Date that was adjusted on a Form 486. You will know that a change has been made if there is an asterisk (*) next to the Service Start Date Change. It is important

that you and the service provider both recognize that USAC should only be invoiced and USAC may only direct disbursement of the discounts on eligible, approved services actually delivered and installed after the Service Start Date indicated on this letter.
